Mine Centre School's monthly newsletter- **April 2023**

Principal's Message:

Boozhoo friends and family of Mine Centre School.

It is hard to believe that we only have less than 10 weeks left in the 2022-2023 school year! These weeks will be bustling with activities— Education Week, Ole Fort Williams Trip, swimming lessons, EQAO testing, EY Mother's Day and Father's Day activities, end of the year trips and activities, Powwow, Graduation and much, much more. Please check our Facebook page often for updates and reminders beginning on Monday. *Miigwetch, Jeff Carr*

Mental Health Matters:

A child's mental health is just as important as their physical health and deserves the same quality of support. Here at Mine Centre School, we work hard to support mental health and promote positive

strategies to help deal with stress and emotions.

Mental Health Memo

Students Learn About and Support Mental Health

Students from across the Rainy River District School Board are volunteering to be Mental Health Champions within their schools. These students are passionate about mental health and well-being and are taking on a leadership role to promote mental health initiatives and a positive school climate.

Student champions are learning:

- the importance of having healthy habits to maintain their mental health
- what healthy strategies help support mental health and when to use them
- how to know when a friend or loved one might be having a mental health issue
- their role and how to care for themselves when helping others who might need mental health support
- when to seek help from a trusted adult
- to identify words that can cause stigma
- about actions they can take to reduce and prevent stigma around mental illness

Students deserve a say in their mental health learning and support. The champions are looking forward to engaging their peers with activities, events, posters, announcements, social media postings etc. to support student mental health and well-being!

Parents, caregivers, and families can learn more about mental health and mental illness here:

Attendance:

Thank you to all parents/ guardians and caregivers for the hard work you have been doing to get our students to school. The attendance has been increasing. This is exciting for students as well as staff as being present is key in every student's education journey.

School Matters!

Reminder:

Supervision begins at 8:15. Please do not drop your students off earlier as there is no supervision until then.

Registration:

Kindergarten Registration was a success!!!
Ms. Woods and Mrs. Bliss spent mornings in both communities and met some amazing youngsters who registered for school this fall.

If your child was born in 2019, they can start school in September 2023.

Missed registration? We can register anytime. Please call Mrs. Bliss at the school to set up a date and time that will work for you.
